VOL. XII GLENDALE, (LOS ANGELES POSTOFFICE), LOS ANGELES COUNTY, CAL., SATURDAY, MARCH 10, 1917 165

THE PRESIDENT

A. H. ANDERSON IS FAITHFUL LEADER OF THE CHRISTIAN ENDEAVOR HOSTS

A. H. Anderson has served as the president of the Los Angeles County Christian Endeavor Union during the past year and is spending the final days of his presidency in directing the movements of a vast army of Endeavorers who will encamp in Glendale March 16, 17 and 18.

It is a fitting climax that the annual convention closes the year's work and Mr. Anderson fully realizes what work and preparation has to be made in order to successfully carry through a Los Angeles county Christian Endeavor convention for he served as vice-chairman on the 1915 Pasadena committee and last year was a member of the County Executive and helped to make plans for the Whittier convention.

A. H. ANDERSON

He has proved to be a faithful and true leader and is not sparing himself in order to make the Glendale convention a big success.

Glendale's Co-operation

A few days before the convention the streets of Glendale will be decorated more elaborately than ever before and it is the desire of the convention committee that every store in Glendale decorate with the endeavor colors, purple and gold.

Orders for the bunting will be taken care of by Hazel Tyler, chairman of the decoration committee. Telephone Glendale 738-M.

On the opening night of the convention, Friday, it is desired that as many of the delegates as possible be taken to their places of entertainment in machines. This necessitates that we have a large number at the tent, Colorado and Louise at 9.15. If you can help out notify Joe Wilson, chairman of Pages and Guides. Telephone Glendale 1361-J.

A matter which has caused no little trouble at former conventions has been the caring for the registration in such a way as to avoid any crowding or other inconveniences.

It is hoped that every person in Glendale who wishes to register will do so before next Friday night. The Endeavor societies have appointed someone in their churches to care for this matter and Endeavor headquarters, (in the Wilson Block, 916 West Broadway) will be open every night next week to allow advance registration.

We urge all who want to attend the evening sessions to register as admission to these sessions will be by badge only. Registration fee is twenty-five cents and this includes the badge, program and songs.

Ushers are needed to work in the tent. Any fellow who will help in this line get in touch with Homer Miller, head usher. Telephone Glendale 1462.

CORNERSTONE LAYING

To-morrow at 3 o'clock in the afternoon the cornerstone will be laid for the beautiful new chapel of the Lutheran church on the corner of Fifth and Maryland. The addresses and special music will be within the chapel. Rev. J. E. Hoick of Boyle Heights will give the address. The services will be postponed in case of heavy rain.

DR. MARQUIS TO-NIGHT

Moderator John A. Marquis, D.D., of the General Assembly of the Presbyterian Church in the U. S. A., will speak at a popular meeting at the Presbyterian church, corner Broadway and Cedar street, this evening at 7:30. Representatives from all churches in the San Fernando valley will be present. Everybody is cordially invited.

RATE REDUCTION

FROM SEVEN TO TWO CENTS IN TWO YEARS UNDER CITY'S MANAGEMENT

The City of Glendale took another step Thursday evening toward increasing its attractiveness and its usefulness, when the rate for water was reduced from three cents to two cents a hundred feet.

The city has owned its water system for about two years, and during that time the rate for water has dropped from seven cents to two cents. This rate is an exceedingly low one and well justifies the planting of all open spaces within the municipality to crops, as almost any crop can be profitably irrigated at that rate. There are hundreds of acres of unused land that should be planted and that would not only greatly improve the appearance of our city, but would net a nice profit for those cultivating the land.

With water at this rate, any vacant lots that remain uncultivated represent a direct loss of profitable revenue to the inhabtiants of Glendale.

The water department has shown a steady profit to the city since its acquisition. The department pays all operating expenses, as well as all interest on its debt and is laying pipe extensions and paying off the original debt in addition to this.

CHAPTER A. H. ELECTS

Chapter A. H. of P. E. O. of Tropico, enjoyed an all-day meeting and luncheon at the home of Mrs. Wesley H. Bullis, 101 North Central avenue Friday. The hostesses for the day were Mrs. Bullis, Mrs. Hal Davenport, Mrs. John Logan, and Mrs. John Hobbs. Besides the enjoyment of a delightful social time and the delicious luncheon served, both the installation of new officers and the initiation of three new members was held. Mrs. Guthrie and Mrs. Cross of Chapter B. A. were guests. Mrs. John G. Hunchberger, who was instrumental in Chapter A. H. being formed, installed the following officers. Mrs. Sala Logan, president; Mrs. Greta Lynch, vice-president; Mrs. Ida Belle Ludden, recording secretary; Mrs. Essie Carmack, corresponding secretary; Mrs. Amelia Wattles, treasurer; Mrs. Abby Barker, chaplain; Mrs. Luella Bullis, guard; Mrs. Sina Van Etten, organist; Mrs. Edith Smith, journalist. The new members initiated were Misses Katherine Hobbs, Dorothy Hobbs and Blanche Davenport.

TROPICO M. E. CHURCH NOTES

The Epworth League held its regular monthly business meeting on Friday evening, about eight new members being added to the roll. Mr. Dishman was elected treasurer pro tem.

The playground being put in between the two church buildings by the Epworth League is about completed.

The Bible study class did not meet last week as the teacher, Rev. Don S. Ford, is ill with the mumps. Owing to the illness of Rev. Ford the pulpit will be occupied Sunday morning by Rev. Hugh Gibson, district Sunday School superintendent. Rev. J. H. Henry will occupy the pulpit in the evening.

The Leaguers are all working hard on the entertainment to be given Thursday evening, March 15, "Jerusha Dow's Family Album," at G. A. R. hall. Thirty Leaguers will take part as living pictures, and they will be dressed in quaint old-style costumes. Five hundred invitations have been given out and a merry, successful evening is anticipated.

Alfred Fritzen, arrested as a German spy in Los Angeles yesterday morning, to take him to Mexico City. As no auto owners in Elsinore would take up Fritzen's offer, he left the city. CURRENT EVENTS

GLENDALE PEOPLE ARE ASKED TO CO-OPERATE IN FEED-C. E. DELEGATES

"Seeing is believing" to those who do not walk by faith. Go take a look at the big tent on Colorado and Louise. Get your guest chamber ready and stock up the "eats." The town may be sold out by Saturday night and you can't get supplies on Sunday. Remember, this is the last week before Convention. If you have anything to say, give or do, say, give or do it NOW.

If you want to know anything, go to Convention headquarters on Broadway and find out. If you ever went to a C. E. Convention, remember how hungry you were at meal time. Thirty-five hundred or four thousand people are always hungry at meal time, and when one is visiting they are doubly hungry, so plan all the eating places possible. We will have a wealth of Spiritual Banquet for them; let's not fall down on the food for the physical man.

CENTRAL AVENUE P.-T. A.

The Central Avenue Parent-Teacher association held its regular meeting on Thursday, March 8th, for the first time, in the new Civic Center rooms, on the west end of the building. The meeting was called to order by the president, Mrs. F. S. Kurtz. After the "Salute of the Flag," the various reports were called for, among which was the final report of the Finance Chairman, Mrs. N. C. Kelley, of the Civic Center, which showed all bills for furnishings and expenses of the entertainment of February 24 had been fully realized, showing that well devised plans were successfully carried out.

Mrs. Danford, from the Glendale Library, gave a most interesting address on the "Bulletins" prepared for the use of "Mothers," as well as boys and girls to further and stimulate any course of reading one may select.

Following this, the subject of Hygiene was discussed at Round Table. Questions pertaining to "Teeth," cigarettes and general hygienic welfare were answered by Mrs. C. E. Rathbone, chairman of the department.

An interesting account of Dr. Lulu Peters' lectures on Sex Hygiene was given by Mrs. Laura Sampson in a most satisfactory manner.

The Civic Center Rooms are open Tuesday, Thursday and Saturday evenings, Saturday evening for community singing, to which all are invited.

WOMEN'S FOREIGN MISSIONARY

The Women's Foreign Missionary Society held their regular monthly meeting in the Tropico Methodist Episcopal church on Thursday afternoon, March 8. Mrs. Henry Goodsell, the president, was in the chair. The meeting was opened by singing a hymn, led by Rev. J. H. Henry, and prayer was offered by Robert Taylor. The secretary read the minutes of the last meeting and several items of business were attended to. The regular lesson of the day was then taken up and the lesson study was read by the secretary, Mrs. P. O. Lucas. After the lesson Dr. Henry sang "They Crucified Him." Delightful refreshments were served by two of the members and a good social time was enjoyed by all.

NEW AUTO AGENCY

Stephen C. Packer and John Roman are partners to conduct a Studebaker Automobile Agency in Glendale. Their location will finally be in a large building which is to be erected at the northwest corner of Colorado street and Brand boulevard. For their present their cars will be displayed in rooms arranged for them temporarily. • Monday's Evening News will contain an interesting announcement concerning a large shipment of cars which will be received early next week.

BUSINESS MEETING

The regular monthly business meeting of the First M. E. Baraca class was held Thursday evening at the home of Herbert Matthiesen, 805 W. Fifth. The business meeting was followed by a social hour, when refreshments consisting of apples, nuts and bananas were served. This class extends an invitation to all young men of Glendale to meet with them every Sunday morning at 9:40. Come Sunday morning, March 11.

SCHOOL VAUDEVILLE

ENTERTAINMENT FOSTERED BY P.-T. A. FEDERATION WAS IMMENSE SUCCESS

(By Walt. LeNoir Church)

It was really a howling success. That stage dog. All the rest of it was successful in every fine way, except that we missed Shirley Chase of the Broadway school but did not learn the cause of our disappointment. The Glendale federation of P.-T. A. has as good reason to be proud, as their friends to be grateful because of that unique co-operative program of good things at the crowded high school auditorium last evening.

Mrs. Gibson's high school orchestra as usual covered itself with glory and it is easy to perceive that several artistic specialists are being developed there.

"All the world's a stage," as the Bard of Avon makes the melancholy Jacques tell us. Last night the stage was all the world to the nine happy little mothers, who with their tiny mute babies so beautifully illustrated the week's work; and then the day of rest when they neglected not to assemble themselves together, "as the manner of some is." At least we saw them quaintly on their way, taking their little ones with them, all happy in the enjoyment of duty and privilege combined. The nine little delights.

The Pacific avenue system of athletics is something worth going miles to see. Why those wonderful nine young gymnasts evidently could dance with their feet where their hands ought to be, and then walk right off the stage on their heads. Some stunt, that. The nine amuses.

If all of the walking and singing flowers of the Central avenue school are as lovely and as knowing as those nine sample singing sunflowers, who might be the nine muses, then that school is simply a floral wonder. (By the way is nine the Glendale schools' mascot numeral?)

We knew that the Columbus avenue school was a fountain of wisdom but its Wizard of Oz was a most pleasing surprise, in many ways. If one only knows the secret, how easy it is for the cowardly lion to be brave, the callous mailed fighter to have a heart, the dummy to realize his brains or even for the longing forlorn maiden, Dorothy, to get back to that far-away, wind-blown farm—in a dream. Of course, in real life no one would ever leave sun-kist Glendale for any imaginary haven in cyclone Kansas.

If the Third Street school is abnormally chesty about its girls' glee club and their gifted leader, anyone would say "Well, who wouldn't be?" Their three charming songs were, "My curly-headed baby," "The woodpecker," and "A desert song," written by some one who has worshipped in the garden of Allah.

The great audience's insistent demand for another was only partly appeased by "Sweet Miss Mary," so much sweeter than she knew, that the nightingale thought her a wandering rose and followed her as her lover. But the Oliver Twist audience still called for more. That lovly large chorus of budding girlhood will make beautiful memories long keep green, if they sing for the coming Endeavorers.

The high school struck a high farce note in the "Trials of Pauline," the beautiful, dutiful bride who helped to illustrate the too often tragical fact that nothing goes further astray than sagacity on the wrong scent. Has it also a deeper meaning? Is the helpless guest ever tightly tied by mistaken conventions? But you who were not there last night, ought to be there at the matinee today, to see what the colorado school contributed to that wonderful co-operative entertainment. Little Lois Naudain's Spanish dance is a marvel of grace and beauty which makes one wonder "what will the harvest be?" for that dainty, entrancing fairy-like maid whom one would hardly feel surprised to meet out in some midsummer-night-dream dale, dancing with the others in the moonlight.

SPECIAL ASSEMBLY

Friday afternoon a special assembly was called at the Intermediate school by Principal Richardson D. White, when Miss Cora Hickman, who is a most clever entertainer, told the story of why the American flag floats over our school buildings.

Mrs. Greenwalt, membership chairman of the P.-T. A. federation, gave a reading and explained the principles of the splendid organization and suggested that the boys and girls invite their parents to attend the meeting to be given at the Intermediate school Monday afternoon.

In the evening the men have full charge of the service, even to the singing, and a great time is looked for. Bro. Cole will speak on "The Basis of Unity," this being really a continuation of last Sunday evening's address on "Our Mission to the World." All disciples should hear this and all others will be deeply interested also. We look for a crowded house.
